

Pro-Nox™ is a nitrous oxide delivery system for pain management & procedure anxiety. PRO-NOX uses a 50/50 combination of oxygen and nitrous oxide that is inhaled to provide fast-acting pain relief that increases comfort and aids in calming anxiety.

Benefits of Pro-Nox™:

- Patient controlled
- No needles
- Non-narcotic
- Fast-acting - dissipates in 5-10 mins
- Leaves the system quickly so you can resume your routine
- Patients are able to drive themselves home soon after treatment

Comfort Package \$100
